## Quiet

**Paul Simon** 

I am heading for a time of quiet When my restlessness is past And I can lie down on my blanket And release my fists at last

I am heading for a time of solitude Of peace without illusions When the perfect circle Marries all beginnings and conclusions

And when they say
That you're not good enough
Well the answer is
You're not
But who are they
Or what is it
That eats at what you've got
With the hunger of ambition
For the change inside the purse
They are handcuffs on the soul, my friends
Handcuffs on the soul
And worse

I am heading for a place of quiet Where the sage and sweetgrass grow By a lake of sacred water From the mountain's melted snow
