

# Was a Sunny Day

Paul Simon

Was a sunny day  
Not a cloud was in the sky  
Not a negative word was heard  
From the people's passing by

It was a sunny day  
All the birdies in the trees  
And the radio's singing song  
All the favorite melodies

He was a navy man  
Stationed in Newport News  
She was a highschool queen  
With nothing really left to lose  
She was a highschool queen  
With nothing really left to lose

Was a sunny day  
Not a cloud was in the sky  
Not a negative word was heard  
From the people's passing by

It was a sunny day  
All the birdies in the trees  
And the radio's singing song  
All the favorite melodies

Her name was Lorelei  
She was his only girl  
She called him Speedoo  
But his Christian name was mister Earl  
She called him Speedoo  
But his Christian name was mister Earl

Was a sunny day  
Not a cloud was in the sky  
Not a negative word was heard  
From the people's passing by

It was a sunny day  
All the birdies in the trees  
And the radio's singing song
