## You're Kind

You're kind You're so kind You rescued me when I was blind And you put me on your pillow When I was on the wall You're so kind So kind So kind

And you're good You're so good You introduced me to you neighborhood Seems like I ain't never had so many friends before That's because you're good You're so good

Why you don't treat me like the other humans do Is just a mystery to me It gets me agitated when I think that You're gonna love me now indefinitely

So goodbye,goodbye I'm gonna leave you now And here's the reason why

I like to sleep with the window open And you keep the window closed

So goodbye Goodbye Goodbye **Paul Simon**
