

## In Your Arms

Paul van Dyk

Oh  
It feels like heaven in your arms  
Some place I've never known

Oh  
It feels like heaven in your arms  
Some place I've never known  
Until now

Oh  
And it feels like heaven in your arms  
Something I've never known

Oh  
And it feels like heaven in your arms  
Something I've never known

Oh  
It feels like heaven in your arms  
Some place I've never known  
Until now

Oh  
It feels like heaven in your arms  
Something I've never known
