

Louder

Paul van Dyk

I feel it rising in my ribcage
My heart is pounding like an earthquake

I'm stronger than my silence
Can you hear me?
And I will keep on climbing
I know you hear me

Louder, louder, louder
Louder than life
[:3x]

You'll hear the echo when the day breaks
We are here to claim our own fate

I'm stronger than my silence
Can you hear me?
And I will keep on climbing
I know you hear me

Louder, louder, louder
Louder than life
[:3x]
