

Tell Me Why

Paul van Dyk

The Morning comes
And the snow is falling
The Morning comes
And the snow is falling
The Morning comes
And the snow is falling
The Morning comes
And the snow is falling
Wonder if I can open my heart again (2x)
Must it mean why I feel like I start again
Wonder if I can open my heart again (3x)
Must it mean why I feel like I start again
Wonder if I can open my heart again
