

## Bounce Back Flow

Paul Wall

Its paul wall...time to bounce back baby  
Back on the Swishahouse..back on the team  
Its goin' down it's paul wall

I remember comin' up as just a youngster scrub  
When people think you ain't gonna make it, they don't show much  
love  
So I push and I shoved, and I stuggled and worked  
GOD granded me wit blesses but pain came first  
Alot fake as patna, a lot fraud as hoes  
Alot so called friends, that took big swangers and vouges  
Alot videos, and a whole lotta greed  
The bill still gotta get paid and my heart still gotta plead  
So I fled from the scene step my game up a notch  
Now I'm to where I started, gettin' money from Watts  
GOD blessed me wit a second chance  
Now T-farris be bookin me for shows from Idaho to France  
When you got a hit song, people ride ya dick  
But soon you #2 people tin to forget  
Man had a healthy win, even though my compentition cheated  
MPT came along and gave me the push I needed  
Who you was ready to ride and I needed that  
'cause most of my other homies seem to turn they back  
But I ain't trippin I moved on to bigger things  
And i'd bounced back N now I'm on the winnin' team  
Baby it's the Swishahouse....baby it's the Swishahouse....  
Baby it's the Swishahouse
