

Bounce Back Flow

Paul Wall

Its paul wall...time to bounce back baby
Back on the Swishahouse..back on the team
Its goin' down it's paul wall

I remember comin' up as just a youngster scrub
When people think you ain't gonna make it, they don't show much
love
So I push and I shoved, and I stuggled and worked
GOD granded me wit blesses but pain came first
Alot fake as patna, a lot fraud as hoes
Alot so called friends, that took big swangers and vouges
Alot videos, and a whole lotta greed
The bill still gotta get paid and my heart still gotta plead
So I fled from the scene step my game up a notch
Now I'm to where I started, gettin' money from Watts
GOD blessed me wit a second chance
Now T-farris be bookin me for shows from Idaho to France
When you got a hit song, people ride ya dick
But soon you #2 people tin to forget
Man had a healthy win, even though my compentition cheated
MPT came along and gave me the push I needed
Who you was ready to ride and I needed that
'cause most of my other homies seem to turn they back
But I ain't trippin I moved on to bigger things
And i'd bounced back N now I'm on the winnin' team
Baby it's the Swishahouse....baby it's the Swishahouse....
Baby it's the Swishahouse
