

Close To You

Paul Weller

Why do birds suddenly appear
Every time you walk near?
Just like me, they long to be
Close to you

Why do stars fall down from the sky
Every time you walk by?
Just like me, they long to be
Close to you

From the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon-dust
In your hair of gold
And starlight in your eyes of blue

That is why all the guys in town
Follow you all around
Just like me, they long to be
Close to you

From the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon-dust
In your hair of gold
And starlight in your eyes of blue

That is why all the guys in town
Follow you all around
Just like me, they long to be
Close to you

Yeah, just like me, they long to be
Close to you

Oh darling

Just like me, they long to be
Close

Just like me, they long to be
Just like me, they long to be
