

Find the Torch / Burn the Plans

Paul Weller

Dream this dream if you can
Find your way through the sand

Sing like you already own it
Our birth and right is to show it
Oh, oh, oh

Find the torch, burn the plans
State your case in your land

Scream like you already know it
Our deed is all that we owe it
Oh, oh, oh

Live your life if you can
Light the way with all that's at hand

Shout like you already know it
Our deed is all that we owe it
Oh, oh, oh

Sing like you already own it
Our birth and right is to show it
Oh, oh, oh

Sha, la, la, sha-la-la
(Sha, la, la, sha-la-la)
Sha, la, la, sha-la-la
(Sha, la, la, sha-la-la)
Oh, oh, oh
