

Here's A New Thing

Paul Weller

The place in mind is always sweet
It's wonderful and time to meet
Here's a new thing - gotta change up
Got to let go of the past
For a new thing - for some new ground
Only change will make it last
The hardest thing is letting go
But once you do, life starts to flow

Here's a new thing - gotta change up
Got to let go of the past
For a new thing - for some new ground

Only change will make it last

The dream in mind is always sweet
It's wonderful and time to meet
The race in time - is us to live
The dream in mind is peace you see

If you want it, you got it
You got to get it
