

Mermaids

Paul Weller

She's in my head, she's in my mind
And I'm all she says
Yes she knows me well, as well as you can

She's on my side, I often hide
In her magic hair
And there I learn again, the joy of life

The wonder of it all
And this I feel, that through her I learn
Another way to be

Sha la la la la
Sha la la la la
Sha la la la la
Sha la la la la

You take my breath,
I feel consumed
Take it all, I want to know

What lies behind,
Your smiles and shells
Wish I knew you well

Come in my head, come in my mind
You can only love, when you open up
To be yourself

Sha la la la la
Sha la la la la
Sha la la la la
