

# No Tears to Cry

Paul Weller

If you don't want to see me fall  
Turn your face to the wall  
There's no place left to hide  
There's no tears to cry  
'cos my eyes have dried

If you can't see my wanting from afar  
Can't you see how distant We are  
There's no way I can lie  
There's no tears to cry  
'cos my eyes have dried

Time before the thief  
Who stole a precious mind  
Wrapped it up in silk  
And sold it to the night

If you don't want to watch,  
watch me slide  
Turn around here inside  
Find a place we can hide  
There's no tears to cry

There's no place left inside  
There's no tears to cry  
'cos my eyes have dried  
There's no tears to cry
