

# One Way Road

Paul Weller

I wanna get high, but I never could take the pain  
'Cos it would blow away my soul like a hurricane  
Like a one man band clapping in the pouring rain  
If I know where I'm going, I don't know from where I came  
Now you gonna be in summertime?  
And are you gonna see the heavens shine  
Like lightning in the sky?

As soon as they come  
The feelings they go  
All alone, on a one way road  
As soon as they come  
The feelings they go  
All alone, on a one way road  
On a one way road

I wanna get high, but I really can't take the pain  
'Cos it will blow away my soul like a hurricane  
I'm like a one man band clapping in the pouring rain  
If I know where I'm going, I don't know from where I came  
Now you gonna be in summertime?  
And are you gonna see the heavens shine  
Like lightning in the sky?

As soon as they come  
The feelings they go  
All alone, on a one way road  
As soon as they come  
The feelings they go  
All alone, on a one way road  
Oh, on a one way road
