

# She Speaks

Paul Weller

Ebb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strong

Ebb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strong

Down watery steps  
To the oceans roar  
Team of wild horses  
Play to thunderous applause

What is my meaning?  
I try to fathom out  
But it's a murky world down there  
So I turn around and just swim instead

Down watery steps  
To the oceans roar  
Team of wild horses  
Play to thunderous applause

What is my meaning?  
I try to fathom out  
But it's a murky world down there  
So I turn around and just swim instead

Ebb and flow, weak and strong  
Ebb and flow, weak and strong  
Ebb and flow, weak and strong
