```
Ebb and flow, weak and strong
```

Down watery steps
To the oceans roar
Team of wild horses
Play to thunderous applause

What is my meaning?
I try to fathom out
But it's a murky world down there
So I turn around and just swim instead

Down watery steps
To the oceans roar
Team of wild horses
Play to thunderous applause

What is my meaning?
I try to fathom out
But it's a murky world down there
So I turn around and just swim instead

Ebb and flow, weak and strong Ebb and flow, weak and strong Ebb and flow, weak and strong
