

# I Belong

Paul Westerberg

You used to think that you made me complete  
Then one morning it dawned on me  
There beneath my feet was my home  
Hard to say goodbye, so we say so long  
And this is where I belong  
This is where I choose to stay on  
This is where I belong  
please come Home  
You used to think you carried me from all harm  
Sing me a song and keep me from all wrong  
Goodbye's too hard for me to say  
So I say "So long"  
And this is where I belong  
This is where I choose to stay on  
This is where I belong  
Next time that you see me, baby please don't let on  
That you knew me at all  
(PETE YORN VERSION BEGINS HERE)  
You used to think you was the only part of my life  
Now I realize there's a whole world outside  
Goodbye's too hard for me to say, so  
I say "So long"  
And this is where I belong  
This is (IS THIS) where I choose to stay on  
Next time that you see me, please don't let on (NOT IN YORN)  
That you ever knew me before That you never knew me at all (NOT  
IN YORN)  
(THIS IS WHERE I BELONG)  
My home  
I belong  
My home  
I belong now
