

# Meet Me In The Meadow

Paul Westerberg

You and me will run and hide,  
We can walk side by side.  
You and me,  
We've gotta' be free.  
'Cause that's the only way to be.

And not in the hallow,  
Waiting for you there though.

Meet me in the meadow,  
Where the cottonwoods, they rustle in the breeze  
Meet me in the meadow,  
Where the cottonwood is rustling in the breeze.

We can run side by side,  
Never again, will we have to hide.  
You and me, we've gotta' be free,  
'Cause that's the only way to be.

But not in the hallow,  
Waiting for you there though.

Meet me in the meadow,  
Where the cottonwood is rustling in the breeze.  
Meet me in the meadow,  
Where the cottonwood is rustling in the breeze.

And I know,  
You wouldn't have to say please

You and me, we've gotta' live free.  
I'll meet you underneath our special tree.  
But not in the hallow,  
Baby you're good to go.

Meet me in the meadow,  
Where the cottonwood is rustling in the breeze.  
Yeah,  
Meet me in the meadow,  
Where the cottonwood is rustling in the breeze.  
Meet me in the meadow

Meet me in the meadow,  
Let's fall in love and never hurt anyone

C'mon  
Meet me in the meadow,  
Where the cottonwoods, they rustle in the breeze  
Where the cottonwood is rustling in the breeze.  
Meet me in the meadow...
