

Now I Wonder

Paul Westerberg

Now I wonder when we'll be there
Will it be long
Now I wonder when we'll be there
Even you're along

Now I wonder when we'll be there
When will we arrive
Now I wonder when we'll be there
We may get in time

The vices of the parents
To reveal themselves in the sickness of a child
Divine intervention was not my intention
But Jesus Christ please save us from his smile

And we'll get down on our knees
And we don't care who sees
And to hell with them who laugh
And we'll tell ones that asked

That we're damned if we do
And we're damned if we don't
And one thing is two
If I'm wrong I'm not alone

Makes me wonder when we'll be there
When will we arrive
It makes me wonder when we'll be there
Will we be there in time
Will we be there in time

The vices of the parents
Reveal themselves in the sickness in the child
Divine intervention was not my intention
But Jesus Christ please save us from his smile

And we'll get down on our knees
And we don't care who sees
And to hell with them who laugh
And we'll tell ones that asked
That we're damned if we do
And we're damned if we don't
And there's one thing that's true
If I'm wrong I'm not alone

Makes me wonder when I'll be there
Makes me wonder when I'll be there
Makes me wonder when I'll be there
Makes me wonder when I'll be there
Makes me wonder when I'll be there
