

A Little Bit of Love

Paul Young

I believe If you give a little bit of love to those you live with
A little bit of love, oh, has got to come your way
Well in my mind, it's easy to lose sight of the truth
But in my high I can't deny my feeling inside
Cause I believe If you give a little bit of love to those you live with
A little bit of love - oh, has got to come your way
Man in the sky, you say you're flying to lose sight of the world
You wanna stay high? Then don't deny your feeling inside
Cause I believe If you give a little bit of love to those you live with
A little bit of love, has got to come your way
I believe If you give a little bit of love to those you live with
A little bit of love has got to come your way, now, yeah
I believe If you give a little bit of love to those you live with
A little bit of love - woo! - has got to come your way
And I do believe
Oh ho, give a little love
