

Hungry Heart

Paul Young

Got a wife and kids in Baltimore Jack
I went out for a ride and I never went back
Like a river that don't know where it's flowing
I took a wrong turn and I just kept going

[Everybody's got a hungry heart
Everybody's got a hungry heart
Lay down your money and you play your part
Everybody's got a hungry heart]

I met her in a Kingstown bar
We fell in love I knew it had to end
We took what we had and we ripped it apart
Now here I am down in Kingstown again

Everybody needs a place to rest
Everybody wants to have a home
Don't make no difference what nobody says
Ain't nobody like to be alone
