

Love Makes The World Go Around

Paul Young

Love makes the world go around
And love makes the see-saws go up and down
And it makes the trees go tall
And most important thing of all
It makes a boy and girl
Yeah say they feel so fine now
Without love yeah
Flowers wouldn't grow in spring
Without spring yeah
You know that the birds couldn't sing
Yeah yeah everybody needs love
And to watch the shining stars above
It makes a boy and girl
Yeah say they feel so fine now
Yeah yeah everybody needs love
And to watch the shining stars above

It makes a boy and girl
Yeah say they feel so fine now
Makes you cry now
It goes for giving sharing, loving
Emotions that baby you and I
Oh I can prove to you
These passing love are so true
It makes a boy and girl
Yeah say they feel so fine now
Feel so good
Love makes the world go around
And love makes the see-saws go up and down
And it makes the trees go tall
And most important thing of all
It makes a boy and girl
Yeah say they feel so fine now
