

Love Will Tear Us Apart

Paul Young

When routine bites hard and ambitions are low
And resentment rides high
But emotions won't grow
And we're changing our ways taking different roads
And love
Love will tear us apart again
And love
Love will tear us apart again
Why is the bedroom so cold
Turn away on your side
Is my timing at fault and respect run so dry
Yet there's still this appeal
That we've kept through all our lives
And love
Love will tear us apart again
Resentment rides high
But emotions won't grow
And we're changing our ways taking different roads
Do you cry out in your sleep
All my failings exposed?
And there's a taste in my mouth as desperation takes hold
Yet it's something so pure
I just can't function no more
And love
Love will tear us apart again
And love
Love will tear us apart again
And love
Love will tear us apart again
Respect runs so dry
Yet there's still this appeal
That we've kept through our lives
