

That's How Heartaches Are Made

Paul Young

They told me that I was such a fool of you
They said that you are the kind who never be true
Pretty soon the day will come
When I'll be the silent one
They'll seem that I'm not afraid
That's how heartaches are made
That's how heartaches are made
I went to heaven my heart opened the door
I gave you so much love no one could say more
You pretended to be mine
How could you be so unkind
With all the other guys you played
That's how heartaches are made
That's how heartaches are made
That's how heartaches are made
That's how heartaches are made
I know you're not sincere and you'll never be
But still I want your kiss as soon as could be
I can never let you go
Can't you hear me no I know
Every rule of love you disobeyed
