

## That's How Heartaches Are Made

Paul Young

They told me that I was such a fool of you  
They said that you are the kind who never be true  
Pretty soon the day will come  
When I'll be the silent one  
They'll seem that I'm not afraid  
That's how heartaches are made  
That's how heartaches are made  
I went to heaven my heart opened the door  
I gave you so much love no one could say more  
You pretended to be mine  
How could you be so unkind  
With all the other guys you played  
That's how heartaches are made  
That's how heartaches are made  
That's how heartaches are made  
That's how heartaches are made  
I know you're not sincere and you'll never be  
But still I want your kiss as soon as could be  
I can never let you go  
Can't you hear me no I know  
Every rule of love you disobeyed
