

# Together

Paul Young

TOGETHER

Ooh, Oh, Ehh

Oh, oh stronger than emotion

Oh than anything I've know

Then it walks upon the water

The Seas of lover soul

Yeah

Oh The wind may be against us

Oh, oh But I'm pushing all the way

We'll get a little closer

every single day

Together

We came holder on

Forever, yeah

We should always be together

We came holder on forever yeah

We'll be together

Seremos muito mas fortes

cantando juntos na vida

Oh I've spoken million phrases

Oh Trying to be heard

And now so many feelings

Spoken in your world

Together

We came holder on forever yeah

We should always be together (together) yeah

We came holder on forever yeah

We'll be together

Just together

such a night too good

Seremos muito mas fortes

cantando juntos na vida

Oh, oh, Ooh Together

We came holder on Forever

Oh we should always be together (together) yeah

We came holder on forever yeah

Oh, oh together

Oh We came holder on together (Forever)

We'll be together

Oh We came holder on forever, forever yeah

Seremos muito mas fortes

cantando juntos na vida

Seremos muito mas fortes (oh oh together)

Can you see ooh, ooh

Every's walking Help me now

Seremos muito mas fortes, hey

Sure can make this play together hey

(Seremos muito mas fortes, hey)

everything on and on

Seremos muito mas fortes

(cantando juntos na vida)

Just turn a round

There's a friend so close

Who's gonna help you

cantando juntos na vida

(Seremos muito mas fortes )

I've got this feeling

Say, say got to get, to get, to get  
People got to get together now  
(Seremos muito mas fortes)  
Now, Los corazones  
We'll be together ooh, ooh  
cantando juntos na vida  
Seremos muito mas fortes  
Owh, Got to be together  
dream Sure been making play  
And together yeah  
We got holding hands together
