

Ain't Never Gonna Give You Up

Paula Abdul

Well there's not a bit of truth in what you hear
Just a whole lot of jealousy out there smearin'
My good name all over the place
Just to get you thinkin' that I'm -- two faced

But I would never go south
I was never dreamin' of anybody else
You're the only one I'd ever be with
I got a whole lot to say but babe the truth is

R: Ain't never gonna give you up
Ain't never gonna let you down babe
Ain't never gonna give you up
Hey hey hey hey
Yea yea yea
Ain't never gonna give you up
Yea yea yea
Ain't never gonna let you down

I wanna be right there for you so don't
Believe another word cause all of these low -- girls
Only wanna put the split between us
They keep getting off on all -- the fuss

But I will always treat you
Just the way I always promised I'd do
You're the only one I'd ever be with
I got a whole lot to say but babe the truth is

R:

Baby don't you know that I want to be with you
