

# If I Were Your Girl

Paula Abdul

Brokenhearted  
Unsatisfied  
I can't help it I can't get you off my mind

She was so wrong  
To treat you bad  
She didn't know you were the best she'd ever had

If I were yours  
And you were mine  
I'd make sure that I could please you all the time

I'd be here waiting  
I'd treat you right  
If I were your girl  
I'd keep up all night

Appreciate you  
There's so much more  
I would give you  
If I were your girl

So frustrated  
What do I do  
I get excited when I'm standing next to you  
Does she love you  
Is she unkind  
I don't know why you're there cause something isn't right

All the wonders of the world  
Are the things that I would give if I were her

I never felt this way inside  
It's so hard, so very hard to hide  
Cause I can see  
That you don't receive  
The things you deserve  
I'd give you so much more  
If I were your girl
