

# My One and Only Love

Paula Cole

The very thought of you makes my heart sing  
Like an april breeze on the wings of spring  
And you appear in all your splendour

My one and only love

The shadows fall and spread their mystic charms  
In the hush of night while I'm in your arms  
I feel your lips so warm and tender  
My one and only love

The touch of your hand is like heaven  
A heaven that I've never known  
The blush on your cheek whenever I speak  
Tells me that you are mine

You fill my eager heart with such desire  
Every kiss you bring sets my soul on fire  
I lose myself in sweet surrender  
My one and only love
