

# Fallen

Paula Fernandes

Heaven bent to take my hand And lead me through the fire Be the  
long awaited answer To a long and painful fight

Truth be told I've tried my best But somewhere along the way I  
got caught up in all there was to offer And the cost was so muc  
h more than I could bear

Though I've tried, I've fallen... I have sunk so low I have mes  
sed up Better I should know So don't come round here And tell m  
e I told you so...

We all begin with good intent Love was raw and young We believe  
d that we could change ourselves The past could be undone But w  
e carry on our backs the burden Time always reveals The lonely  
light of morning The wound that would not heal It's the bitter  
taste of losing everything That I have held so dear.

I've fallen... I have sunk so low I have messed up Better I sho  
uld know So don't come round here And tell me I told you so...

Heaven bent to take my hand Nowhere left to turn I'm lost to th  
ose I thought were friends To everyone I know Oh they turned th  
eir heads embarassed Pretend that they don't see But it's one m  
issed step You'll slip before you know it And there doesn't see  
m a way to be redeemed

Though I've tried, I've fallen... I have sunk so low I have mes  
sed up Better I should know So don't come round here And tell m  
e I told you so...
