

# Loud

Paulina Rubio

Na na na na na na na na na na  
Na na na na na na na na na na

Tick, I'm a bomb, turn me on  
Put me in the zone  
Got my hands in the sky  
Right where they belong

Bricks on the wall, falling down  
I'm about to blow  
Feeling bad, feeling thriller  
Feeling every song

I don't wanna do nothing but dance tonight  
Feel the rhythm in my blood  
Hit me with the bass and please control my mind  
Up, DJ turn it up

Loud loud loud lo lo loud loud loud  
Don't turn it down, down, down  
Up, DJ turn it up  
Loud loud loud lo lo loud loud loud  
Don't turn it down, down, down  
Up, DJ turn it up  
Loud loud loud lo lo loud loud  
Don't turn it down, down, down  
Up, DJ turn it up  
Loud loud loud lo lo loud loud  
Don't turn it down, down, down

Sick, yes admit, I admit  
I'm out of control  
Seven days of the week  
Yeah, I play the role

Blink, you get kissed, get your fix  
Get your sexy on  
Right through the lights on the beat  
Of my favorite song

I don't wanna do nothing but dance tonight  
Feel the rhythm in my blood  
Hit me with the bass and please control my mind  
Up, DJ turn it up

Loud loud loud lo lo loud loud  
Don't turn it down, down, down  
Up, DJ turn it up  
Loud loud loud lo lo loud loud  
Don't turn it down, down, down  
Up, DJ turn it up  
Loud loud loud lo lo loud loud  
Don't turn it down, down, down  
Up, DJ turn it up  
Loud loud loud lo lo loud loud  
Don't turn it down, down, down

Fly, flying high through the sky  
On the beat of my favorite song  
Flying high through the night

Loud loud loud lo lo loud loud loud  
Don't turn it down, down, down

Loud loud loud lo lo loud loud loud  
Don't turn it down, down, down

Up, DJ turn it up

Loud loud loud lo lo loud loud loud  
Don't turn it down, down, down

Up, DJ turn it up

Loud loud loud lo lo loud loud loud  
Don't turn it down, down, down

Up, DJ turn it up

Loud loud loud lo lo loud loud loud  
Don't turn it down, down, down
