

Ginny Come Lately

Pavel Bobek

I only met you just a couple of days ago
I only met you and I want your loving so
Ginny come lately
Sweet, sweet as can be
You may have come lately
But Ginny come lately
You 're the one for me

You only had to smile
A little smile
Nothing more
Than look at me
You only had to smile
And in a little while
I was dreaming recklessly

I only met you just a couple of days ago
And all my love for you had no more room to grow
Ginny come lately
My dreams come true
You may have come lately
So Ginny come lately
I'm in love with you
