

I've Got You Under My Skin

Pavel Bobek

I've got you under my skin
I've got you deep in the heart of me
So deep in my heart that you're really a part of me
I've got you under my skin
I tried so not to give in
I said to myself this affair never will go so well
But why should I try to resist when baby I know so well
I've got you under my skin

I've sacrificed anything come what might
For the sake of having you near
In spite of a warning voice that comes in the night
And repeats and yells in my ear:
„Don't you know you little fool
You never can win
Use your mentality
Wake up to reality“
But each time that I do
Just the thought of you
Makes me stop before I begin
Cos I've got you under my skin
And I want you under my skin
