

## Baptist Blacktick

Pavement

I'm just waiting waiting for the Baptist  
That sad suck-off left me in Damascus  
I'm just waiting waiting for the Baptist  
That sad suck-off, that suck left me now

I'm just wasting, wasting all the Blackticks  
Queens way's rockers, 'nough to make your ears twitch  
I'm wasting, wasting all the Blackticks  
Some reddish shit some grey vision, now.

Well I'm just waiting, waiting for Blacktick  
That fucker...ahhhhhhh...

That fucker left me now  
That suck left me now  
That son left me now.
