

## Cut Your Hair

Pavement

Darling don't you go and cut your hair  
Do you think it's gonna make him change?  
I'm just a boy with a new haircut  
And that's a pretty nice haircut

Charge it like a puzzle, hitmen wearing muzzles  
Hesitate, you die  
Look around, around, the second drummer drowned  
His telephone is found

Music scene's crazy  
Bands start up each and every day  
I saw another one just the other day  
A special new band

I remember lying, I don't remember a line  
I don't remember a word but I don't care  
I care, I really don't care  
Did you see the drummer's hair?

Advertising looks and chops a must, no big hair!  
Songs mean a lot when songs are bought and so are you  
Bitch right down to the practice room  
Attention and fame, a career, career, career, career
