

# Hit the Plane Down

Pavement

I'm up on a hill top where I  
Keep you in sight, my little toys  
I buried you because the sun  
Will melt them

Got you up my sleeve  
Got you up my sleeve  
Got you up my sleeve  
Got you up my sleeve  
Got you up my sleeve

Hit the plane down  
Hit the plane down  
Hit the plane down

Taking over

Taking over your life  
I'm taking over your scene  
Ya, Ya, Ya, Ya, Ya  
I would hope see the face I would hope you see her face

Hit the plane down  
Hit the plane down  
Hit the plane down (taking over)

There's no survivors  
There's no survivors

Don't even snow (we're not that disturbed)  
Don't even snow

Hit the plane down  
Hit the plane down  
Hit the plane down (taking over)

There's no survivors  
There's no survivors

Taking over your life  
Taking over your life  
I'm taking over the scene  
I'm taking everything  
All I wanted it all  
My little trick  
I wouldn't mind just a milligram up my sleeve  
I've got you up my sleeve  
I've Got you up my sleeve  
I've got you up my sleeve

Hit the plane down  
Hit the plane down  
Hit the plane down  
There's no survivors

Taking over your life  
Taking over your life

I'm taking over the scene  
I'm taking everything  
I'm taking everything

I've got to melt it Hit the plane down  
Hit the plane down there's no survivors  
There is no survivors
