

Painted Soldier

Pavement

That's all you're singing now?

Woohoo hoo, woohoo hoo, woohoo hoo, woohoo hoo Woohoo hoo, woohoo hoo, woohoo hoo, woohoo hoo

Why'd you have to say those things about my face, about my name? I didn't want things to end this way I didn't want things to end this way

All my soldiers are painted and I'm one of them But I'm still dedicated and I feel...

Woohoo hoo, woohoo hoo, woohoo hoo, woohoo hoo Woohoo hoo, woohoo hoo, woohoo hoo, woohoo hoo

Why'd you have to say those things about my faults, about my singing? I didn't want things to end this way I didn't want things to end this way.

All my soldiers are painted And I'm one of them, But I'm still dedicated to seeing...

I knew he liked to talk about himself but he wanted the whole world to know. It made me sick inside... I just gotta hold back.

Woohoo hoo, woohoo hoo, woohoo hoo, woohoo hoo Woohoo hoo, woohoo hoo, woohoo hoo, woohoo hoo

And if your soldiers are painted don't be like one of them. But if you're still dedicated, it's all right...
