

Secret Knowledge of Backroads (Peel Session 1)

Pavement

So you wanted it Price the sword The ancient craft I'm so bored
with your ancient craft Your ancient laughs And everyone is laughing at you

Sees it all there Sees it behind him, It's behind his southern mind
And it's so new

Haunted call Said to me, "It's not as good as the first EP" Beside himself on the shelf
Off the blue And into the grey

Sees it all there Sees it behind him, It's behind his southern mind
And it's so new

Kick the sand Kick the can Kick it in the face of another man So you kick it up,
it's out of town I've never felt like I do now

But I know what I want I know it's behind me Behind my western mind
And it's so new It's so new.
