

Spizzle Trunk

Pavement

I sneezed corn flakes down to my nose
Hes got a chrome-plated baby so it knows where it goes
I spent a long week waiting for my laundry with steve
I spent a long while waiting for my hair to recede

You shouldn't hate your body cuz its part of you
Shouldn't hate your neighbour if he's family of man
No you shouldn't hate your family cuz there part of you
Shouldn't hate your friends your friends your friends

Everybody's got one that they can't recieve
When the cat's in the kitchen there's nothing but fleas
I spent a long time waiting for my hair to recede
I spent a long time waiting for my hair to recede
