Julia

Pavlov's Dog

Julia you set the standards for me Walk to your door Beggin for it just to be more and

Julia I couldn't do much better than you Said so yourself I wouldn't want anyone else

And I can't live without your love And I can't live without your love Well I can't live without you

Julia oh you're drivin me crazy But I'm a...I'm a part of your plans Oh just a man while your dreams be You're just a part of me Oh please see how much how much you mean to me Please see how much how much you mean to me Julia

And Julia straight away you've had me And I know I've had you You're a part of me too

And I can't live without your love And I can't live without your love Well I can't live without you Julia

And I can't live without your love And I can't live without your love Well I can't live without you Julia
