

Today

Pavlov's Dog

Today, I feel like leaving you more than before
Today, I know what I want to do, but I don't know what for

To be living for you is all I want to do
And to be loving you it'll all be there when my dreams come true

Today, you'll make me say that I, I somehow changed
Today, when you look into my eyes, I'm just not the same

To be any more than all I am would be a lie
When I'm so full of love I could burst apart and start to cry

Today, everything you want, I swear it all will come true
Today, I realize how much I'm in love with you

With you standing here I could tell the world what it means to
love
To go on from here, well I can't use words, they don't say enough

Please, please listen to me
It's taken so long to come true
It's all for you
All for you
