

## Seasoned Glove

Paw

This one is for my daddy  
Oh, you know me, Daddy  
Where you been hiding lately?  
I ain't seen you lately  
I miss your shoes on the doorstep  
Whose doorsteps they on now?  
I'm not trying to start a fight, here  
I don't want to fight you  
Is this my fault?  
Is this my fault?

Well, Daddy, where have your shoes been?  
Is this my fault, some kind of son's sin?  
You've been gone for such a long time  
You've been gone at just the wrong time

I know you like the ladies  
Oh, you're a fool for the ladies  
What about your home and your babies?  
Well, I ain't a baby  
I'm tired of watching the cars pass  
I fell asleep at my window  
Is this some sort of punishment?  
Did I hurt your feelings?  
I miss your shoes on the doorstep  
Please be there when I get home

Oh Daddy, where have your shoes been?  
Is this my fault, some kind of son's sin  
You've been gone for such a long time  
You've been gone at just the wrong time  
Hey Daddy, please tell me  
Hey Daddy, where have your shoes been?  
Please say that this is not my fault  
Something I did  
Some kind of son's sin  
You've been gone for such a long time  
You've been gone at just the wrong time  
Hey Daddy, please tell me

Slept on my glove last night  
Waited all day to see if you'd make it home  
Today was our day  
Or have you forgotten?

Hey Daddy, I'm just a kid  
Take a minute, think about what you did  
I'm starting to feel a bit cheated  
Come home and make me feel needed  
Please come home and make me feel needed  
Hey Daddy, please tell me  
Oh Daddy, where have your shoes been?  
Please say that this is not my fault  
Something I did  
Some kind of son's sin  
You've been gone for such a long time  
You've been gone at just the wrong time

Hey Daddy, please tell me
