

Lost The Voice

Pay money To my Pain

And the Stark
I looking for my mine
And the silence
I getting noting help
Will you come back here?
Are you in final way?

When I'm alone
My father calling helm
As is progress
Its mother sense for me
Something its'nt possible
To get-on!

Move
Took away
Something what it appen to you
Can't
Trust this, no more
Can you feel like me?
Move
Differently
My way just get it stronger
Can't
Are this, no more

I don't even know who I am ...

Heaven, all and its
Its better walking out
And now its gone
Just know what is that to pass
To want to feel as right
Was the reason for!

And her and him
Its another missing
And never mean TV!
Main TV so void...
Can I trust it one second?
Are you in taking gain?

Move
Took away
Something what it appen to you
Can't
Trust this, no more
Can you feel like me?
Move
Differently
My way just get it stronger
Can't
Are this, no more

No didn't fool who I am!

Falling...

Another world as falling jure
In your space!
Now get a thought the world!

Don't trust me no more
There no way...

Move
Differently
Something what it appen to you
Can't
Trust this, no more
Can you feel like me?
Move
Differently
My way just get it stronger
Can't
Are this, no more

No didn't fool who I am...
