

Relieve

Pay money To my Pain

Settle down
You'll be alright
Using your head
Sometimes bothers you

Now come with us
There's a new world
Relieve your mind
Trust your heartbeat

(Rise up now)
So you stand up to get back your soul

(With your will)
Split the world they have ten you go
(Break yourself)
Now wake up from your dream
Now!

Your eyes
Still got the light
Now you wake up
To live your life

You're the only one
Who can change the world
It's not so hard

So you stand up
To get back your soul
Split The world they have
Make it all mine
I'll take it!

That day!
Something!
Inside of me!
Is lost!
That day!
That day I was dead!

That day!
Something!
Inside of me!
Is lost!
That day!
That day I was dead!

That day!
Something!
Inside of me!
Is lost!
That day!
That day I was dead!

Your eyes still got the light
Now you wake up

To live your life

Settle down
You'll be alright
Using your head
Sometimes bothers you

Now come with us
There's a new world
Relieve your mind
Trust your heartbeat
