Peabo Bryson

Feels like heaven, sweet darling

(Heavenly)

Baby, baby, baby

(Heavenly)

Heavenly

For the first time I do believe that

I've been swept off my feet

In all my life I've, I'd wonder whether

This would ever be

There's a place where only you could ever take me

I get lost in your arms

It's so strong, I am powerless to fight it

I surrender my life

Heavenly is how I feel now that you're inside me

Since you came and you touched my heart

Can it be love is real now that you make me see?

Heavenly, say we'll never part

Heavenly, heavenly

I wanna thank you

You're the reason for all that I am

'Cause without you I'd be lost, baby

You're all that I have

There's a place that only you could ever take me

I get lost in your arms

It's so strong, I am powerless to fight it

I surrender my life

Heavenly is how I feel now that you're inside me

Since you came and you touched my heart

Can it be love is real now that you make me see?

Heavenly, say we'll never part

Baby, won't you touch me, feel me

Until I'm over flowing?

Let me show you how much

Your love means to me

Heavenly is how I feel now that you're inside me

Since you came and you touched my heart

Can it be love is real now that you make me see?

Heavenly, say we'll never part

Heavenly is how I feel now that you're inside me

Since you came and you touched my heart

Can it be love is real now that you make me see?

Heavenly, say we'll never part

Heavenly, heavenly

Heavenly, heavenly

Heavenly, heavenly

Heavenly, heavenly
