

# I Can't Imagine

Peabo Bryson

I can't imagine life without you  
I always thought we made the perfect pair  
I can't imagine walkin' into  
The house we called our home without you there

We had the love we had the magic  
How did we let it disappear  
Now all the laughter turned so tragic  
And all my faith has turned to fear

I can't imagine life without you  
And yet my restless feet are walkin' toward the door  
I can't imagine life without you  
But I can't fake the feeling anymore

I didn't mean to ever hurt you  
It's not as if I didn't care  
I so afraid if I desert you  
The pain may be too hard to bare

Maybe if we tried to talk it over one time  
We could search our souls and somehow could find  
All the hopes and dreams that we're about to leave behind

We had a love that's shared by just a few  
Maybe we can turn it in to something new  
Cause I just can't imagine  
I just can't imagine  
I just can't imagine  
Life without you
