

# Never Saw A Miracle

Peabo Bryson

Seen a light divine, seen water turn to wine  
I've seen healing hands and walking on the water  
I've knelt in churches but that was all just fruitless searches  
For something to believe in when I thought I'd seen it all

But I never saw a miracle 'til baby, I found you  
I prayed I'd find my heaven then all my prayers came true  
No, I never saw a miracle, I was blind but now I see  
The miracle is the love you give to me, oh yeah

Seen a flower bloom and a man walk on the moon  
But I never seemed to find sweet inspiration  
Seen the stars fall from the sky and heard a newborn baby cry  
And felt the warmth of human kindness 'til the tears came to my eyes

But I never saw a miracle 'til baby, I found you  
I prayed I'd find my heaven then all my prayers came true  
No, I never saw a miracle, I was blind but now I see  
The miracle is the love you give to me, oh yeah  
Miracle is you and me, yeah

I've never been a winner and God knows I'm a sinner  
But I found my salvation in you  
Oh, I was lost until you found me, you put your loving arms around me  
And gave me back my faith and my strength to carry on, no

I never saw a miracle 'til baby, I found you  
I prayed I'd find my heaven then all my prayers came true  
No, I never saw a miracle, I was blind but now I see  
The miracle is the love you give to me, oh yeah  
The miracle is the love you give to me  
The miracle is you and me
