

# Take No Prisoners (In The Game Of Love)

Peabo Bryson

There's an all out war tonight  
Here's our chance to win the fight  
Or lose your life

Listen for the battle cry  
Lay your heart upon the line  
Tonight, it's time  
Defend your crime

Oh, oh, you better get ready  
Oh, oh, cause my aim is steady

I take no prisoners in the game of love  
It's all or nothing or it's not enough, oh  
I take no prisoners in the game of love

It's a one on one attack  
I've got you cornered and  
You can't go back to what you had  
You can't do that

Oh, I've waited long enough for you  
I want to capture everything  
Your love can do  
There is no rescue

You can't win cause I won't let you  
Give in cause I'm coming to get you

I take no prisoners in the game of love  
It's all or nothing or it's not enough, oh  
I take no prisoners in the game of love

You're gonna need somebody  
When you let go of the  
Fight on your hands

I wanna be the body  
Breaking your fall  
Holding your hand, ohh

Oh, oh, you better get ready  
Oh, oh, cause my aim is steady  
Said my aim is steady  
My aim is steady

I take no prisoners in the game of love  
It's all or nothing or it's not enough, oh  
I take no prisoners in the game of love  
(2x)

(Take no prisoners) in the game of love  
(All or nothing) or it's not enough, oh  
I take no prisoners in the game of love

(Take no prisoners) in the game of love  
(All or nothing) in the game of love

In the game of love

I take no prisoners in the game of love  
It's all or nothing or it's not enough, oh  
I take no prisoners in the game of love  
(2x)

(Take no prisoners) in the game of love  
(All or nothing) in the game of love  
Oh, take no prisoners in the game

I take no prisoners in the game of love  
It's all or nothing or it's not enough

Oh, I take no prisoners in the game
