## **Tonight I Celebrate My Love**

**Peabo Bryson** 

Tonight I celebrate my love for you It seems the natural thing to do Tonight no one's gonna find us We'll leave the world behind us When I make love to you

Tonight I celebrate my love for you And hope that deep inside you'll feel it too Tonight, our spirits will be climbing To a sky filled up with diamonds When I make love to you tonight

Tonight I celebrate my love for you And that midnight sun is gonna come shining through Tonight there'll be no distance between us What I want most to do is to get close to you tonight

Tonight I celebrate my love for you And soon this old world will seem brand new Tonight we will both discover How friends turn into lovers When I make love to you

Tonight I celebrate my love for you And the midnight sun is gonna come shining through Tonight there'll be no distance between us What I want most to do is to get close to you

Tonight I celebrate my love for you Tonight
