

# Imaginary

Peace

From the moment that I wake up  
To the minute that I fall asleep I run the risk  
Of dreaming a life and living a dream and you're just a myth

It's not too good to be true, it's too good to be you  
And I wonder when I'm sleeping, maybe it's too far to fetch  
Kinda sweet but a mess, just trying to be cool

You make me feel like  
You make me feel like  
You make me feel imaginary

You make me feel like  
You make me feel like  
You make me feel imaginary

You make me feel like

Too stark to move, I'm frozen  
Paralysed by your groove, I'm poisoned  
Hold me up on a crutch when I'm broken  
Fix me sweet with a touch now I know

It's not too good to be true, it's too good to be you  
And I wonder when I'm sleeping, maybe it's too far to fetch  
Kinda sweet but a mess, just trying to be cool

You make me feel like  
You make me feel like  
You make me feel imaginary

You make me feel like  
You make me feel like  
You make me feel imaginary

You make me feel like  
You make me feel like  
You make me feel imaginary

You make me feel like  
You make me feel like  
You make me feel imaginary

You make me feel like  
You make me feel like  
You make me feel imaginary

You make me feel like  
You make me feel like  
You make me feel imaginary

You make me feel like  
You make me feel like  
You make me feel imaginary

You make me feel like  
You make me feel like

You make me feel imaginary
